# General Rules and Information

---

The purpose of the Corporate Cup is to promote community-wide interest and involvement in fitness and health activities and to help companies incorporate wellness within the workplace.

Specific rules have been developed for each event and are included in your team packet. General rules and eligibility requirements are provided below.

1. Teams will be comprised of no more than 15 persons. It is at the discretion of individual teams who will compete in which events. You will need a **minimum of three female team members** due to gender-specific rules. A minimum of eight people are required to compete in all events. Please review the rules of each event for specific gender requirements.
2. **Teams will be divided into a competitive and a recreational division. Please indicate which division your company wants to participate in when registering online.** The recreation division is defined as a team participating with the primary goal of having fun. The competitive division is defined as a team participating with the primary goal of winning.
3. Team members must be employed by the sponsoring company if the company has more than 50 employees. Companies with fewer than 50 employees can combine to create one team or include employee spouses. If you are unable to field a team from your pool of employees or you would like to combine three or more companies, please contact Alyssa Ralston at The Chamber.
4. Children of employees are not allowed to participate.
5. Team members can represent only one team. Each company can field one team and must choose which division to compete in.
6. The Corporate Cup is intended to provide fun, fair competition. Unsportsmanlike conduct could result in the removal of an individual or team.
7. Twenty points will be added to the team score for each participant 40-49 years of age. Fifty points will be added to the team score for each event participant 50 years of age or older. All participants' ages need to be written on the team's roster by 4 p.m. There will be no age points added after 4 p.m. on event day.
8. Teams who provide volunteer(s) will be awarded points based on the number of volunteers provided. Teams who provide one volunteer will be awarded 50 points. Teams who provide two to three volunteers will be awarded 100 points. Teams who provide four or more volunteers will be awarded 150 points. For scheduling purposes, volunteers will not be able to participate in events and do not need to be employed by your organization. Teams with volunteers committed who don't show up to the event will be deducted 100 points. Volunteers must be available from 2:30 to 8 p.m. the day of the event.
9. All participants must sign the "Participation Waiver Form," which is included in this packet. **All waivers must be turned in to The Chamber or emailed to [ARalston@fmw chamber.com](mailto:ARalston@fmw chamber.com) by Thursday, May 3.** If you need to make roster changes, you can do so the day of the event at the registration table located inside Nemzek. **Your team will be ineligible if you do not turn in a complete, signed waiver before competition starts at 3:15 p.m. on May 24.**
10. Final registration is due May 3, 2018 and **no refunds will be offered after this date.**
11. Should there be an overall tie, there will be a tie-breaking game of Tug of War for the teams to participate in. For individual events resulting in a tie, the points will be split between the two teams.
12. Courts will be monitored. If games get out of hand, it will result in a forfeited game. Second offenses will result in the individual causing commotion to be eliminated from participating in the remainder of the event.
13. **The Corporate Cup is committed to serving their participants and spectators with disabilities by providing reasonable accommodations to allow people with disabilities to participate equally. Upon request, we are willing to provide reasonable accommodations through modifying administrative policies and procedures and through providing adaptive or assistive equipment for event participants with disabilities. All requests for accommodations must be made no later than two weeks prior to the event date.**

The next participant will then place their marker in an open spot on the board. This will continue until your team gets 3 in a row (horizontally, vertically or diagonally).
- If all 3 markers have been played and there is no tic tac toe, the next player in line will run down and move one of their own team markers into an open spot until your team gets 3 in a row. The opposing team will be trying to score on the same board.
