

# THE CHAMBER LEADERSHIP FMWF

## PROGRAM DESCRIPTION

Leadership Fargo Moorhead West Fargo (LFMWF) is a 10-month program centered on cultivating 40 leaders each year through community exploration and leadership development. The program is designed to expose existing and emerging community leaders to the issues that face our region while simultaneously strengthening skills through professional development and civic engagement.

LFMWF strives to provide a broad experience to participants by covering topics like education, the non-profit landscape, city planning, innovation, entrepreneurship, communication, leadership skill development, legislative issues and much more. Our graduates have gained the skills and the in-depth understanding needed to be successful business and community leaders.

## PROGRAM GOALS

- Encourage participants to develop long-lasting relationships with other leaders.
- Offer opportunities to discover the inner workings of the community and challenges facing the region.
- Help define each participant's individual role and responsibility as a leader within their organization and the community.

## SELECTION CRITERIA

A maximum of 40 individuals will be chosen to participate in Leadership Fargo Moorhead West Fargo. To be eligible for selection, the applicant's employer must be a current member of The Chamber. If you are unsure whether your employer is a member, please call 218.233.1100.

Participants are selected by a committee based on the information submitted in this application and interview. The committee seeks diversity in regard to age, gender, education, employment sector, professional experience, interests and talents with preference given to individuals who:

- Have participated in past community and professional activities.
- Intend to remain in and serve the Fargo Moorhead West Fargo area.
- Are able to attend all sessions and program events.
- Are dedicated to personal and professional growth.

Please note, while this is a leadership program, you do not need to hold a current leadership position in your company.

## EXPECTATIONS

Leadership Fargo Moorhead West Fargo includes an orientation meeting, a retreat and team-building session and monthly topical sessions that involve panel discussions, tours, speakers, group projects and individual activities. You will be expected to fully participate in every aspect of the LFMWF program.

## THE CHAMBER LEADERSHIP FMWF

### **There is no substitute for your presence at LFMWF sessions. You are expected to:**

- **Attend ALL sessions.** We have provided you with the dates well in advance as a courtesy to you and we expect the same courtesy in holding these dates. When you are gone, not only are you missed, but you do not get the full program experience. You are allowed to miss eight classroom hours. Any additional absences will be allowed on a case-by-case basis. Repeated absences will result in termination from the program.
- **You MUST be able to attend the [September 14, 2018 Ropes Course](#).**
- **Be fully engaged at sessions.** This means resisting the temptation to check phones while actively engaged in session activities. We do provide plenty of breaks during the day.
- **Connect with your classmates.** Place a level of accountability on yourself to get to know everyone in the class. The program is greatly enhanced when classmates connect with each other. Past graduates will tell you they developed lasting friendships and business relationships that have continued well beyond program completion.
- **Respond to post-session surveys.** Your feedback is crucial to the success of this program.
- **Have fun!** We value a positive attitude and the LFMWF planning committee is dedicated to providing participants with a fun, memorable and impactful experience.
- **Maintain a professional demeanor.** The Chamber has the right to dismiss participants in the case of behavior that is deemed unprofessional.

### **Tuition**

In addition to time and dedication, LFMWF requires a financial commitment. Program tuition is \$1,400 per participant. The employer/sponsoring organization is responsible for \$1,300 and each participant is responsible for \$100 of the tuition as part of their personal contribution.

Tuition includes all course materials, session costs, orientation, retreat, meals and speaker costs. **Full payment of tuition is due by [Friday, September 14, 2018](#)**, unless other arrangements have been made.

**If you are unable to complete the program for any reason, or fail to meet attendance requirements, tuition will not be reimbursed.**

### **Financial Assistance**

To assist qualified individuals who may not otherwise be able to participate, financial assistance is available in which tuition is paid during an extended period.
